Newsletter - December 2024

Hello Wallasey Beach Club,

It's been a while since our last update, and we hope this newsletter finds you well. The past couple of months have indeed been busy for us. We're thrilled to announce that Helen has been appointed as our new Executive Director, working alongside our existing executive directors, Adam and Adrian. Helen has been tirelessly working to get up to speed, and her fresh perspective and energy are already making a noticeable impact.

Adam and Adrian have also been making waves and continue driving the club forward. They're currently focusing on refreshing the club both inside and out, aiming to enhance our facilities and create an even more welcoming environment for all our members.

Now, with Helen on board, it's back to business as usual. We have a lot of exciting plans and events lined up for the coming months.
